## CATERING:

If chosen for your event, head counts, menu selections, and costs need to be confirmed and paid for no less than **two-weeks prior to your event**. If you require to be served directly by our staff vs. self-service, we would need to know a few weeks ahead of time to ensure enough staff is scheduled. The rate for a private server is \$25/hr per server for the extent of your event. **This fee will be waived if you choose either of the Rooftop options.**

## BAR:

If you intend on having an open-bar for your guests, you can set a cap on spending and/or offer drink tickets to your guests. 20% gratuity will be applied to single-tabs for events. Otherwise, guests can start their own bar tabs.
