CATERING & BAR FYI

CATERING:

If chosen for your event, head counts, menu selections, and costs need to be confirmed and paid for no less than two-weeks prior to your event. If you require to be served directly by our staff or bar service, we would need to know a few weeks ahead of time to ensure enough staff is scheduled. The rate for a private server is \$25/hr per server for the extent of your event. 20% gratuity is added to all catering costs.

BAR:

If you intend on having an open-bar for your guests, you can set a cap on spending or simply close your tab at the end of the event. A 20% gratuity will be applied to single-tabs for events. Otherwise, guests can start their own bar tabs.
