

## F.A.Q.'s

1. We're all ages, so bring the kiddos!
2. We're dog friendly on the outdoor patios!
3. We can accommodate over 630 guests between our dining room, and three outdoor patios!  
***We do not take individual table reservations.***

***For private events email [Events@ctbokc.com](mailto:Events@ctbokc.com)***

4. Your card was not charged twice, we promise!! We've had a frequent request to review transactions lately. This occurs when your card is "pre-authorized" with items on your tab and the point-of-sales system checks the bank account for adequate funds. Later when the tab is closed, the card is re-authorized for the full amount. Only the final amount is deducted from your account once the transaction clears and goes from "pending" to "final."

The best way to reach ownership or management is via email at [info@socialcapitalokc.com](mailto:info@socialcapitalokc.com).
